## UNITY NEOS™

### SUITABLE BIRTH - 12MTHS APPROX

The Unity is Australia's only infant carrier suitable for newborn up to 12 months (approx.) allowing for longer use and rear facing protection for longer. Integrated with CLICK & GO adaptors this carrier becomes an invaluable travel companion allowing for you to transfer your sleeping baby from car to stroller or out and about. With the addition of Thermo5 high performance fabric with bamboo your child will travel in quality and comfort.

## FEATURES & BENEFITS

### ONLY Infant Carrier Suitable to 12mths (Approx.)

Australia's only Infant Carrier suitable for newborn up to 12 months (approx.).

### Click & Go™

Integrated Britax CLICK & GO adaptors for compatibility with selected Britax, Steelcraft, and BOB travel system strollers when used with CLICK & GO stroller receiver.

### Integrated Stabilising Bar

Integrated stabilising bar ensures that the Infant Carrier does not rotate in the event of a crash.

### Rotating Carry Handle

Rotating carry handle and detachable carrier section enables easy transfer from car to stroller for use out and about.

### Aircraft Compatible

Carrier section (without base) is suitable for aircraft use.

### EPS Foam

EPS foam and high side walls for maximum side impact protection.

### Compact Design

Compact design for small cars and configuration with other seats.

### Large Sun Canopy

Large sun canopy for protection whilst out and about.

### Support & Comfort

Includes insert, shoulder pads and crotch pad for additional support and comfort.

### Thermo5™ Fabric Insert

Thermo5 High Performance fabric with Bamboo delivers the premium comfort your baby deserves

### Infant Carrier Base

Infant Carrier Base allows for levelling adjustment for better fitment in your vehicle.
